Hello,I received a packet today with Martin Romine's muster papers.He was 44 yrs.old;light hair;blue eyes;sandy complexion and was 5 ft 6 1/2 inches.He was from Cleveland,Bradley County Tn.Does anyone have any Romine's in that area?I kept looking for him in Meigs county but so far haven't found him,only a Martin Romine as a bond for two other Romine men.Don't know if thei is my Martin but I suspect that it is.
