Hello everyone,

I am currently in the final stages of preparing a book on the Romeyn/Romine family in Morris County, New Jersey. I would love to hear from any of you who have ancestors from this area so that I may include your data in the book. I am trying to make this as complete as possible, but as always there are lines that vanish into the mist and I hoping that some of you may be able to shed some light on them.

I will be happy to share any information I already have.

Thanks in advance,

George Wilson
