The little bit of information that I had on them did not include Ann Staley's name so thanks for the names and dates. What information I have was drawn from Harvey's, which is not all that reliable, I hear, and from Penrose, "Compendium of Early Mohawk Valley Families", vol. 2. If you haven't already used this source, it might be interesting for you as it gives the references to original records. I only have the Romine page copied but it might be a place to find your Staley family.

Thanks for the information that you sent. It will help to narrow the field in identifying Thomas Romine of Frederick Co.
