Recent data on this list discussed marriage of Noah Romine and Hannah Cleavenger in Fayette County Ohio on 23 April 1813. There are several references to this Noah in Fayette County records and census of 1820. Can anyone provide data on the relationship of this Noah with the John Romine he was associated with in a court action in the same county in 1824? He is shown in McDonnel Vol I as a "survivor" in the suit implying that John Romine had died before the case was adjudicated. Would appreciate any further identification of this John Romine. I have queried the Fayette County GS with no additional data there. Thanks Lew Howell XDGA84A@prodigy.com
