Hi folks,

Well, I have the beginnings of my pages for Claes Janse Romeyn now online. Please take a look at them and if you have something that I don't have on there, please do let me know what it might be so I can add it to the page. This is still a work in progress and I hope to have more new source and timeline material up sometime next week. I decided to go ahead a post the URL so that I could get as much new material as possible from everyone and not just one or two people. So if you have anything to add for Simon or Claes or even Stoffell, please do pass it on. Perhaps we can all work together and find the proof of their parentage.
