The case packet contained a number of subpoenas but there are no depositions included and from the it would appear that none may have actually been taken. Apparently the testimony was all given in court and at this date there are no transcriptions. Rather than clogg everyone's email with transcriptions of each one, I just made a list of them with the names of the witnesses being called and for whom they were suppose to testify.

Rebeckah Romine Jr vs John Johnson
M2606
List of subpoenas

31 March 1814
William Ellzey for John Johnson
James Grady & John Berkins for Rebecca Romine
