Subject: Romine vs. Robbins

Have been trying to sort out some Chandlers and have Ann Chandler who purportedly married first Samuel Robbins and second George Jones. Ann was single in 1699 when relative John Chandler left her a legacy as Ann Chandler. In uncle Thomas Chandler's will in 1753 she is called Ann Jones, with two daughters, and grandson Henry Chads, so the Jones marriage appears okay. In a 1726 land deed she is referred to as Ann ROMINE, daughter of Jane Chandler. In all my Chester County references I nowhere find the name "Romine" except in this one instance so it may be an error - but an error for Robbins seems a far stretch. Does anyone out there have any knowledge of a Samuel Robbins marriage to Ann Chandler? I would also like to find out whether the two daughters were Jones or Robbins daughters.
