About 25 years ago I bought a book called The Romine Family. It was compiled by Mildred McDonnell and made available about 1966. I talked to Mildred at her home in Takoma Park, Md in the early 70's. I would guess her age then to be about 60 or so. I doubt if she is still with us. At the time she was working on Romine Book II. Does anyone know of of this fine lady or whether she finished book II? In her book I, I was able to trace my GG grandfather, Samuel Romine and his wife Nancy (Dearman) Romine, natives of Harrison Co. where they had been married. In 1854 they left Harrison Co. and relocated to upper left fork of Reedy. Mildred found that information in a publication called "History of Roane County, West Virginia 1774-1927.
