Hi all,

You probably have all this, but this is about all I had time to write down today at the library. I did list the Romine's listed in Illinois Census Index for 1850, in case any one else needs it let me know. Just figured I was the last one to look that up, but did find my g-g-grandfather John Romine listed, and I thought he had died in the late 40's, as Lavina had remarried and had children in the early 1850's.

In the 1850 Census records there is a George Romine and a George W. Romine listed.
