Alan!

Talk to me!

I am currently working in the records of Russell Co, VA where I think that one of Isaac Roman's brothers, William, lived. Have a smattering of stuff from Washington Co but have not done film level work there. If there is a relationship between the two families, I have yet to find it and it will probably hinge on whether or not Thomas Romans/Rummings of Back Creek (Glengary) is to be identified as the same person as Thomas Romine of Frederick Co records. I do not yet have a smoking gun for relationship between Isaac and William am still digging.

Do you know where Isaac was born?

Would appreciate doing some brain storming/brain picking on this one.
