Audrey,
Glad I could help. I can't answer your further questions as this chart is all new to me.
No further cost to you Audrey. In fact I had about six requests, which is no problem for me. I will tear up the checks from the few of you who paid me. The information that is coming from all of you is of great interest and worth every penny.

My own research will mostly be in Holland, where my roots are. Through several searches in online data banks and dutch phone books I found about about 300 Romeyn/Romeijn/Romijn/Romein living and dead in Holland. Slowly I hope to make contact with some of them and begin to put the pieces together.

I know that most of you are researching your Romine roots in the USA. If any of you are interested in being kept up to date on Romeyn/Romeijn/Romijn/Romein families in Holland, I will set up an e-mail distribution and send you as much as I find.
OR, do you want it sent through the ROMINE-L@rootsweb.com family page.
PLEASE LET ME KNOW WHICH WAY.
Tony Romeyn
